

College Visit at Miami Middletown University

Johnston Hall:

This building houses the Office of Admission, Business Office, Campus Bookstore, Classrooms, Computer Labs, Faculty offices, and the One-Step for Student Success.

Computer Classroom
Capacity: 24

Levey Hall:

This building houses the Center of Chemical Education.

Chemistry Lab
Capacity: 24

Last year I worked on a lab in this classroom for forensics.

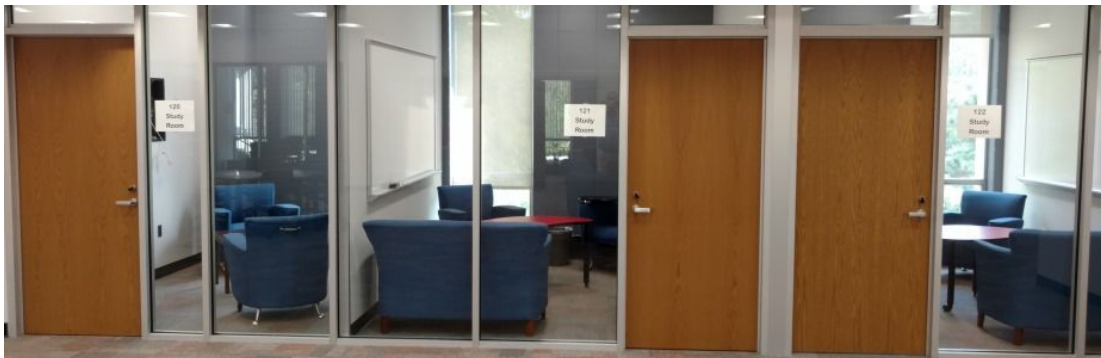

Gardner-Harvey Library:

Library was built in 1966. When I went on my visit two weeks ago, they just got done re-decorating it.

**Library room.
Capacity: 23**

**Study rooms
you can
reserve in the
library.**

Thesken Hall:

**Classrooms with
computers and lab tables.**
