Cincinnati State Visit

This is Dr. Sara - she is in the main professor for all business administration majors.

One of her entrepreneurship classes

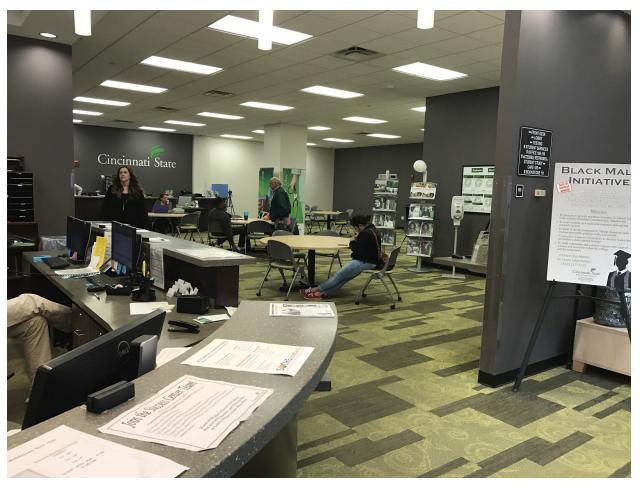

Offices of other professors. One of which (not pictured here Dr. Steelmen) is battling leukemia and the school has a community called "Steelmen Strong."

Outside the classroom on the fifth floor

School being festive in the main lobby/ student hangout center

Bookstore computer lab and general hangout area

Cincinnati State police officer does random security checks and signs guests in and out.
