

USMC

USMC training not only tests your physical strength, but your mental strength as well. There are two training locations, South Carolina and California. Only the base in South Carolina trains women to be marines. Marines are given a character model to follow: Honor, Courage, Commitment. Every one of the marines that went through the training says it was the hardest thing they have ever done in their life.

Weeks 1 - 4 Phase one

A lot of physical training and martial arts training

Weeks 5-9 Phase 2

Weapons training

Weeks 10- 13 Phase 3

Swim training and diving

Physical training - from runs to obstacle courses

Marksmanship - training with an M-16A2 rifle and learning the ins and out of the weapon

Field firing range - Learn to shoot your weapon and work on accuracy

Combat water survival - train in full gear to survive a marine assault and deployment

Drill - marching and movement

Graduation
